

"Twas the night before Christmas
and all through the house,
not a creature was stirring,
not even a mouse... "

"Era la vigilia di Natale e in casa
non si sentiva volare una mosca,
neanche un topo... "

Nineties' mice never sleep (unless you cut the power)

I topi degli anni novanta non dormono mai (a meno che non si stacchi il corrente)

so tell me,
when was the last time
you saw a real mouse...

(Beh, dimmi - da quando
non si vede in giro
un topo vero ...)

Santa gets real internet access and discovers he's way behind
a red nosed buddy...

Finalmente Babba Natale si collega col internet e scopre che
un amico col naso rosso e' gia' arrivato molto prima...

WorldWide best Wishes

AUGURI!

for a better and more just
future
