

Ever wonder how Santa knows who's been good and who's been bad 365 days a year?

Welcome to
Total Information Awareness*
the 21st century upgrade of
Santa's little helpers.

*Of course we all know we can trust Santa, his reindeer and his many little elves
with all this information.
They've been nothing but a force for good in the world since they've been on the job ... ***

peace (la pace)

love (l'amore)

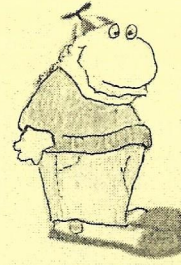

hope (la speranza)

and our best wishes (auguri)

Shameless hype
for the dr bob cd:
now available
for the asking
[cookbook, sketchbook,
xmas card archive]

ani and bob learn to pose for the waiting-in-line
tourist photo scam while kidless in Orlando
[maybe next time bob will learn to remove the tourist junk
from his pocket]

bob and ani making a luggage tag by mistake
[they thought it was a regular photo]

think compassion.
[not the conservative kind]
we'll need much more in 2003.
