

## BAD SANTA? \*

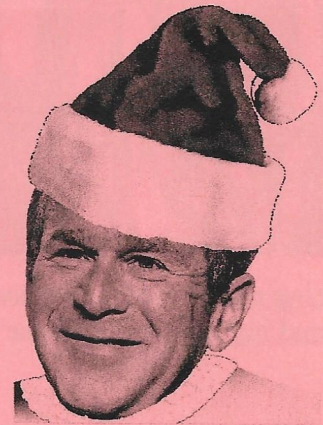

Maybe that's why all the wrong people seem to be getting the gifts lately...

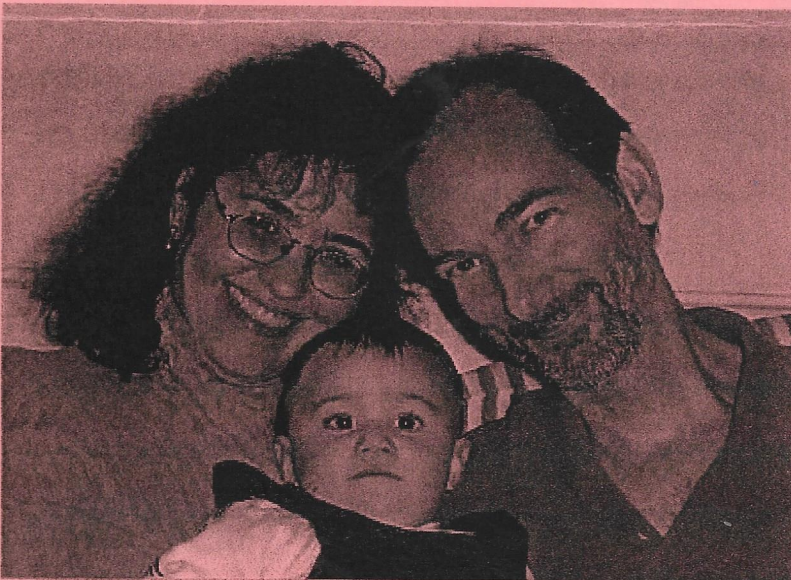

fear of this bad santa\*\* led to the big event of the year... but no bad toys were found, and most of his elves went underground

of course the biggest bad toy maker and distributor in the world/universe is another well known bad santa\*\*\*

whose current chief elf has been giving away the store to the folks who need it the least...  
...on the naughty list?

ani, borrowed nephew shant, bob

wouldn't it be nice if we could get some better priorities in gift management and toy making?

the world *could* be a better place...

in the meantime we send you our best wishes (auguri)

ani and bob

**Notes:**

\* Bad Santa, the movie: Billy Bob Thornton puts this word combination in the national consciousness this year.

\*\* Santa Saddam, one of Uncle Sam Santa's former buddies.

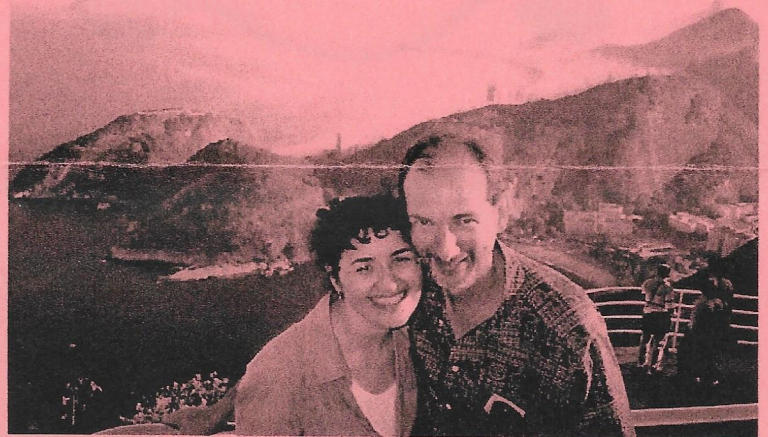

\*\*\* Uncle Sam Santa or Uncle Santa Sam? Either way, he has a bad toy budget that dwarfs the rest of the world.

if only making over misplaced priorities were  
as easy as making over a bad sense of style...

ani and bob finally get to Rio, but not for Christmas  
[see "escape to rio" 1982 (xmascard archive)]

Christmas came early this year for Big Pharma  
with the Medicare Reform Law of 2003.

Meanwhile in a desperate attempt to avoid early  
Big Pharma dependence brought on by creeping  
cholesterol levels, bob is forced to begin a crash  
Lipitor evasion program through daily oatmeal,  
walnuts and quality time with a Tony Little Gazelle  
exercise machine abandoned by ani for an  
alternative pilates routine.

in memory of  
mine and raya  
and so many more
