

for christmas this year our TV finally speaks Italian!

per natale quest'anno il nostro TV finalmente parla italiano!

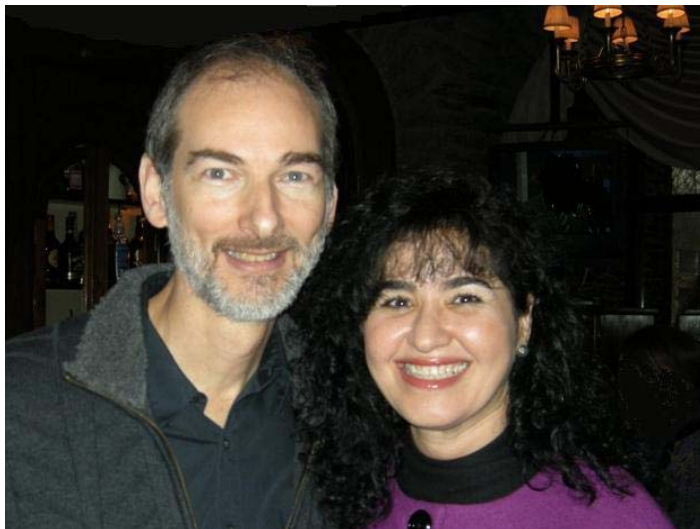

in the FIOS guy versus the CABLE guy wars, FIOS won us over with the RAI International channel

wide screen dilemma (dilemma dello schermo largo)

if only it spoke peace and cooperation instead, we'd all be a lot better off

(se solo parlasse di pace e cooperazione invece, staremmo tutti molto meglio...)

Notes:

- 1. Two mega-corporations Comcast Cable and Verizon have been warring for customers in the Philly suburbs. We switched allegiance December 1.
- 2. Ani studia l'italiano da un anno! Ani studies Italian since one year.
